Account name Triple Access Saver (3)

What is the interest rate?

	Annual interest (variable)	Monthly interest (variable)	
Balance	AER*/gross p.a.	AER	Gross p.a.
£0.01 plus	4.58%	4.58%	4.49%

We calculate the interest daily and pay it annually, on the anniversary of the date you opened the account, or monthly, at the end of the last day of each month.

Interest can be added to the account or paid into another suitable account.

Can Coventry Building Society change the interest rate?

The interest rate is **variable**, so it can go up or down at any time.

For more details about why we may change the rate, as well as how and when we'll let you know, see our Saving Accounts Terms and Conditions booklet (section 4).

What would the estimated balance be after 12 months based on a £1,000 deposit?

£1,045.80

This would be the balance after 12 months if £1,000 was paid in, all interest was paid back into the account annually, there was no change to the interest rate and no money was taken out or paid in.

This illustration is just an example to help you compare accounts. It does not take into account any individual circumstances.

If you have a passbook and keep it updated, there's no need for statements. You can get statements by post, or go paperless if you use Online Services.

Can I withdraw money?

This is a **limited access** account. You can take money out of your account up to three times a year without having to pay a charge. From the fourth withdrawal onwards (which can include closure), you'll receive a charge equal to 50 days' interest based on the amount you're withdrawing. The charge will be deducted from the balance of the account, at the time of the withdrawal. Each 'year' in this case starts on the anniversary of the day you opened the account.

How to take money out of your account

- Ask for a transfer to another Coventry Building Society account or to your Named Bank Account, online or by phone
- Request cheques by post
- If you choose to have a passbook, you'll also be able to take money out by cash and by cheque at a branch, and transfer to any other UK-based account

Additional information

This account is a limited issue, so we may stop accepting applications at any time. You can only have one Triple Access Saver (3) at a time.

We pay your interest gross. The gross rate is the interest payable before the deduction of tax.

* AER stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and added each year.

For full details, please see the Specific Terms for Triple Access Saver (3) and our Saving Accounts Terms and Conditions.

We can also send you this leaflet in large print, Braille or on audio CD.

If you change your mind

If you open a Triple Access Saver (3) and then change your mind, you have a 14-day cooling off period, where you can close your account and won't be charged. Day 1 starts from the day you open your account, so if you open your account on the first day of the month, your cooling off period would finish on the 15th day of the month. To close the account, simply log into Online Services and select 'Close my account', or give us a call or pop into a branch. After this, you can still close the account at any time. Remember though, if you've taken money out at least three times during the year, you'll be charged a sum equal to 50 days' interest on the balance that you're transferring, including closures.

To do this, call us on 0800 121 8899 or write to us at: Oakfield House, PO Box 600, Binley, Coventry CV3 9YR.
