We go further to keep you informed

This leaflet provides you with full details of our mortgage fees and charges. These charges are made in the following broad circumstances: when a customer takes out a mortgage; during the life of the mortgage and when the mortgage is redeemed.

If you have any queries or problems at all, we're only a telephone call away. Just phone our Customer Service Centre on 0845 1212567, open Monday to Friday 8am-8pm, Saturday 9am-5pm and Sunday 10am-4pm.

Mortgages are only available for properties in England, Wales, Northern Ireland and mainland Scotland.

Description of charges

Home purchase fees

Mortgage valuation

An inspection carried out for the benefit of Godiva Mortgages to determine if a property forms good security for a loan. The mortgage valuation is a limited form of inspection and should not be relied upon when deciding whether to purchase a property. **Only valuations instructed by us and conducted by one of our panel of valuers are acceptable.** A valuation fee may be charged at application stage, in accordance with the sliding scale shown on pages 4 and 5. This can be paid by Credit/Debit card or cheque. **This fee is not refundable.**

In certain circumstances we may choose to use alternative methods to ascertain the value of the property. This will not involve us instructing a valuation and therefore a fee will not be applied.

Homebuyer's Report

An optional alternative to the mortgage valuation. It provides a more detailed inspection and lists any major faults that are obvious to the valuer. However, it is not a full structural survey.

If you choose to undertake this option through Godiva Mortgages a fee, to cover the cost of the work involved in providing the report, will be charged in accordance with the sliding scale below. The report will be issued directly to you. **This fee is not refundable.**

There is no obligation to use our valuer panel for a Homebuyer's Report. If you wish you can instruct a separate survey yourself. Any fees for this service will be agreed between yourself and the surveyor, and the report will be issued directly to you. In this circumstance, we will still instruct a valuer to provide a mortgage valuation to determine if the property forms suitable security for a mortgage. You will only pay for your Homebuyer's Report. Godiva Mortgages will cover the cost of the valuation.

Buy to Let purchase fees

Tax implications of Buy to Let

It is important that you understand the tax implications of owning a Buy to Let property.

The Society is not able to provide tax information, nor should its documentation be relied on in this manner, therefore any information is provided for guidance only. If you have concerns about the effect of Buy to Let ownership on your tax status, it is your responsibility to ensure that you contact your tax office or a suitably qualified financial advisor.

This can be paid by Credit/Debit card or cheque. **This fee is not refundable.**

If you choose to undertake this option through Godiva Mortgages a fee, to cover the cost of the work involved in providing the report, will be charged in accordance with the sliding scale below. The report will be issued directly to you. **This fee is not refundable.**

There is no obligation to use our valuer panel for a Homebuyer's Report. If you wish you can instruct a separate survey yourself. Any fees for this service will be agreed between yourself and the surveyor, and the report will be issued directly to you. In this circumstance, we will still instruct a valuer to provide a mortgage valuation to determine if the property forms suitable security for a mortgage. You will only pay for your Homebuyer's Report. Godiva Mortgages will cover the cost of the valuation.

Other purchase fees

Arrangement Fee

A number of our mortgage schemes include an Arrangement Fee. This fee covers the cost of providing the mortgage funds. The fee may vary depending on the type and terms of the scheme offered. This fee is normally charged on completion of the mortgage and should not be enclosed with your application. You can choose to pay this amount in one go or you can add it to the mortgage. **This fee is not refundable.**

If you add this fee to your loan you will be charged interest on it during the term of the loan and it will be included in the mortgage amount on which the Key Facts Illustration is based.

If you choose to pay the fee in one go, it will not attract interest or affect your monthly mortgage payments, but it will be collected by charging the amount of the fee to your mortgage on completion. **You must pay this amount into your mortgage account immediately after completion to avoid incurring future interest charges on the fee.**

Booking Fee

A Booking Fee is charged to cover some of the costs associated with the mortgage application on certain types of mortgage schemes. The amount depends on the type of scheme applied for and will be contained in your Key Facts Illustration. The application will not be processed until the fee is received by us. This can be paid by Credit/Debit card or cheque. It cannot be added to the mortgage. **This fee is not refundable.**

Exception Fee

This fee is charged when an arrangement is made that is outside our normal lending terms and policy to cover the administration involved. This fee is normally charged to the mortgage on completion and should not be enclosed with your application. **You should pay this amount into your mortgage account immediately after completion to avoid incurring interest charges on the fee. The maximum charge is £500. This fee is not refundable.**

Re-inspection Fee

A £35.00 charge is incurred and paid for by Godiva Mortgages when a valuer is sent out to re-inspect a property to ensure that any work specified to be undertaken in the original mortgage valuation has been completed. If more than one re-inspection is required we will inform you of the cost. This can be paid immediately or added to your mortgage on completion. **If you have the fee added to your mortgage you should pay this amount into your mortgage account immediately after completion to avoid incurring interest charges on the fee. This fee is not refundable.**

Higher Lending Charge

Where the amount of the loan is high compared to the value of the property, there is a higher risk of loss to Godiva Mortgages in the unlikely event of the house being repossessed. We make a Higher Lending Charge to help protect us from this risk of loss.

We make this charge on loans above 90% Loan to Value, but it is calculated on the amount of the loan over 75% of the value or the purchase price (whichever is lower). The fee is calculated by multiplying this amount by 7.25%.

For example:

Property value	£	100,000
Mortgage	£	95,000
75% of property	£	75,000
Amount of loan above 75%	£	20,000
Higher Lending Charge	£	1,450 (£20,000 x 7.25%)

Any fees added to the loan are not included in this calculation. The charge is made on completion of the loan and **must be paid as a single payment**, which you should pay immediately after completion to avoid incurring interest charges on the fee. A Higher Lending Charge is not made on further advances.

The Higher Lending Charge is made to help protect Godiva Mortgages from the risk of loss when a house is repossessed and the loan is high compared to the value of the property. It is only for Godiva Mortgages' benefit. If your property is repossessed and then sold for less than the amount that you owe, you will still have to pay the additional amount you owe, including arrears, interest and legal fees. **The Higher Lending Charge is not refunded on redemption of the mortgage.**

This is fixed for the term of your mortgage, except where you ask us to arrange a further advance, product transfer or transfer of equity (when, if applicable, it will change to the prevailing fee at the time).

This fee is refundable if you take your next mortgage with us within six months of redeeming the original mortgage account. This fee will not be charged if there is less than one year left to run on your entire mortgage at the time of redemption.

Deeds enquiry **£30.00**

The Land Registry has changed the way property deeds are held. Now all deeds are held electronically. The details of existing deeds are in the process of being transferred to the new system. As a result of this change all enquiries for specific information relating to a

property - for example, responsibility for a garden fence, where the deeds are held electronically - should be made as follows:

- For deeds in England and Wales please contact the Land Registry at www.landregistry.gov.uk or on 0207 9178888 asking for general enquiries.
- For deeds in Scotland please contact the Land Registry at customer.services@ros.gov.uk or on 0845 6070161.

Where the deeds are still paper based and held by Godiva Mortgages, a charge will be made for supplying this information.

Redeeming/part redeeming a mortgage

When a mortgage is repaid/part repaid using cleared funds, e.g. by telegraphic transfer, no charge is made in respect of cheque clearance. If a loan is repaid/part repaid by cheque there is a charge equal to seven days' interest (for cheque clearance and postal delay).

Redeeming/part redeeming a mortgage with Early Repayment Charges

If you redeem all or part of your mortgage, you may be required to pay Early Repayment Charges. These charges are made to recover any costs incurred by the company in setting up your product and vary dependent on the scheme chosen. See also page 13, 'Transferring your mortgage to a new scheme'.

Life policies

Transfers from an interest only to a repayment mortgage - and vice versa £50.00

This fee is charged to cover the administration involved in changing the type of loan and covers work relating to insurance policies in connection with an interest only (investment backed) mortgage.

Calculation of interest

Daily Interest

Interest is charged to the account on the first of each month based on the number of days in the month and the balance outstanding on the last day of the previous month. The interest charged each month is adjusted to reflect any credit or debit transactions, e.g. the receipt of monthly payments, inclusive of the day on which they occur. The adjustment will

be based on the amount of the payment and the number of days remaining in the month. For example, if a payment is received on 20 January, 12 days' interest credit will be given. Other transactions, such as the debiting of fees and charges, will not affect the interest charged until the following month when they will be included in the balance used for calculating interest (unless they are paid in the month they fall due).

Repayments of capital and overpayments

Repayments of capital

A capital payment must be for £1,000 or three months' payments, **whichever is the greater**, and must be in addition to the regular monthly payment. Formal instructions should be given to us regarding how the payment is to be treated, as there are various options available. An interest credit will be given based on the amount received and the number of days remaining in the year or month, depending on the interest calculation method used on the account. There are no restrictions on the number of capital payments that may be made to a mortgage in any one year. **An Early Repayment Charge may be applied, depending on the terms and conditions of the mortgage.**

Overpayments

Additional payments below £1,000 or three months' payments will not be treated as capital payments and the interest charged will not be reduced until the next interest debit is due, please see the section entitled 'Calculation of interest'.

The rules governing when your monthly payment will reduce following overpayments depend on how your mortgage is to be repaid:

- With a capital and interest mortgage, the monthly payments will be re-calculated, taking account of the overpayments at the next interest rate change.
- With an endowment, pension-linked or interest only mortgage, the monthly payments will not be re-calculated to take account of the overpayments until the first rate change occurs after the next 1 January.
- Overpayments are not allowed on certain mortgage schemes. We reserve the right to make early repayment charges on overpayments, where applicable.

Personal loans - fees and charges

If you have a **MORE**gage product, the following fees and charges apply to the unsecured loan part of your mortgage.

Unpaid cheques **£20.00**

Charged if a cheque that has been paid into a personal loan account is returned unpaid by the bank or building society.

Failed Direct Debit **£20.00**

If a Direct Debit fails at its first presentation and again when it is re-presented, we'll charge a fee of £20 to your personal loan account.

Copy documents **up to £15.00**

We charge this fee to cover the cost of producing and sending you a copy of the documents. We'll tell you the actual cost when you tell us which documents you would like a copy of.

Arrears letter **£15.00**

If a personal loan account falls into arrears, we'll let you know by letter. A charge of £15 will be made at that time.

Statements/account breakdown **£10.00**

We will automatically send you an annual statement free of charge. However, if during the term of the loan you need a statement of your account showing details of payments made and the balance outstanding, we'll send you one.

Important notes

Godiva Mortgages reserves the right to review these administration charges from time to time. If we change any of our charges, we'll give you reasonable notice of the changes.
