 Illustration reference

If you already have an ISA with Coventry Building Society complete this transfer request and return it to us. Alternatively, if you're opening a new ISA with us, you must complete an ISA application form as well as this transfer request. You should check whether the ISA you are transferring has any restrictions. For example you may only be able to transfer your whole investment or just the current tax year's subscriptions; this is the amount you have saved in this tax year. Also, there may be a charge to transfer your ISA funds, or you may need to give notice before the transfer can go ahead.
