I declare that:

- I am the sole beneficial owner of all of the money invested in the account;
- I am not a bare trustee for a body corporate or for persons who include a body corporate (a bare trustee is someone who holds an account in his or her name but the funds invested are for the absolute benefit of another person);

- that the information contained in this form is true;

Being open with you really matters to us. We think it's important to let you know when we develop new mortgage or savings products and services that might benefit you, or when we have news we think you should be aware of. But don't worry, we won't bombard you with information. We'll only contact you by email or post (no intrusive phone calls!), and you won't hear from us more than twice a month. We'll never pass your details to third parties to try to sell you anything.

We'd love you to tick yes if you are happy to hear from us. And if you ever change your mind, just call, email or pop in and see us

Identification requirements for new accounts

We need proof of your name and address to open a new savings account. This is to protect you against the risk of identity fraud and also allows us to comply with money laundering regulations. We need to see your identification (ID) before we can open your account.

You need to provide two forms of ID for each person named on the account:

- **One item from Group A, to confirm who you are**
- **One item from Group B, to confirm your name and address**

ID can be used either to confirm who you are, or your name and address, not both. For example, a driving licence can't be used to confirm who you are, as well as your name and address.

- **At a branch:** If you come into a branch to complete the application, we need to see the original identity documents.
- **By post:** If you apply by post, we only accept certified copies where specified, as the Society cannot be held responsible if the originals are lost in the post.

ALL identification documents (both original and certified copies) will be returned to you.

Note: We don't accept documents printed off the internet or photographs of documents.

Group A – to confirm who you are	What to send by post
Passport (UK or foreign) – current, valid and full	Certified copy
Valid (UK) photocard driving licence (full or provisional)	Certified copy
Full old style paper driving licence (UK) – current, signed	Certified copy
DWP pension entitlement letter – valid for the current year	Original
Birth certificate/adoption certificate (under 18s only)	Certified copy
NHS medical card/document, showing holder's name, DOB, NHS number (under 18s only)	Original

Group B – to confirm your name and address	What to send by post
Full or provisional UK photocard or old style paper driving licence – current, signed	Certified copy
Bank/building society statement – less than 3 months old and not printed off the internet. Those issued by Coventry Building Society are not acceptable	Original
House insurance certificate – valid for the current year	Original
Council/local authority tax bill – less than 12 months old and valid for the current year	Original
Utility bills (i.e. gas, electricity, water) or cable/satellite/phone bill (excluding mobile phones) – less than 3 months old and not printed off the internet	Original
NHS medical card/document, showing holder's name, DOB, NHS number (under 18s only)	Original

Certifying documents

Copies of original documents can only be certified by one of the following:

Legal professional (solicitor registered in England and Wales, Northern Ireland or Scotland, barrister registered in England and Wales, Northern Ireland or Scotland or notary public registered in any country), **qualified accountant** (registered with either ICAEW, ICAS, CAI, ACCA, CIPFA, CIMA or AAT), **public sector official** (serving officer of the Armed Services, serving police officer, teacher in current employment), **Post Office official** (must include Post Office stamp or Post Office certificate), **embassy official** (an embassy, consulate or high commission officer in the country of issue of the relevant document), **medical professional** (doctor registered with the General Medical Council, dentist registered with the relevant national professional body, qualified nurse registered to NMC) **Other** (local government councillor, Member of Parliament, bank manager, building society manager or minister of religion).

Copies of your original documents should have been certified **within the last 12 months** using the following words: **‘I confirm that I have seen the original document’**.

The certifier must sign their name and include these details: full name, profession, business address (if applicable), phone number and date.

The person certifying should be in **current employment**, but we'll also accept certification from a person who has retired (unless the list above specifies that the person must be serving), as long as they still hold the qualification and are a member of the relevant institute. The person certifying must **not be related to you** in any way (for example: spouse, partner, sibling, parent, child or in-law) and they must not be named as a joint account holder/borrower on your mortgage. You can't certify your own identification.
