We've been closely involved in the mortgage industry’s initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

<td>You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.</td>

<td>Product fee</td>
<td>This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you’ll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.</td>

<td>Valuation fee</td>
<td>The lender’s valuation report, which is used to calculate how much it will lend you. This is separate from any valuation or survey of the property you might want to commission. Some mortgages offer free valuations – the product details for your mortgage will tell you if this is the case.</td>
<td>This is included for properties up to £1,000,000. Please refer to your mortgage illustration for more information</td>

- You switch mortgage product or lender during a special rate period (e.g. while you're on a fixed interest rate).

This may vary. Please refer to your mortgage illustration.

### If you are unable to pay your mortgage

**Unpaid/returned Direct Debit or cheque**

Payable when your nominated bank rejects a Direct Debit collection, or your payment by cheque is returned unpaid by your bank. £5

**Arrears fee**

You may be charged an arrears fee on a monthly basis, or when specific events happen in the management of your account when you are in arrears. This covers charges in respect of your account if you fall behind with your payments. £20

Further details can be found in our booklet 'Our Fees and Charges Explained'.

### Ending your mortgage term

**Early Repayment Charge (ending your mortgage)**

You may be charged this if you repay your mortgage in full before the mortgage term ends. This may vary. Please refer to your mortgage illustration.

**Mortgage exit fee**

You may have to pay this if:
- Your mortgage term comes to an end;
- You transfer the loan to another lender; or
- Transfer borrowing from one property to another.

This is payable either at the end of the mortgage term, or before the end of your mortgage term if you transfer the loan to another lender or another property (known as 'redemption'). You may be charged a separate fee by your solicitor or licensed or qualified conveyancer for their work relating to redemption of the mortgage and discharge of the security. This may vary. Please refer to your mortgage illustration.
