

The Remortgage Transfer Service takes care of the legal requirements when you transfer your existing mortgage to a new mortgage with Coventry Building Society. We offer this service with some of our mortgage products – please check with your mortgage advisor to confirm if it's included with your chosen mortgage product.

It's easy to take advantage of the Remortgage Transfer Service, simply request it where indicated on your mortgage application form or ask your advisor to select it for you.

On receipt of your completed application, we will appoint a conveyancer from our approved panel who will act for us and manage the legal aspects of the remortgage. Our conveyancer will contact you directly to discuss the specific requirements of your remortgage and they will take care of the requirements listed under 'What's included' below, at no extra cost to you.[^]

If you require additional chargeable services, such as those shown under 'What's not included' below, you can instruct another conveyancer, or you may prefer to instruct our conveyancer so you can benefit from a more streamlined service. They will confirm any additional costs directly with you. Please note, other than for what is shown under 'What's included', you will be responsible for all costs necessary to complete your remortgage.
